To whom this may concern:

Bloom Healthy Café, hereby provides accreditation to **DEM-Ingeniería Empresarial y de Negocios S.A. de C.V.** for giving the presentation *Myths about Coffee and Sugar* ("Mitos del Café y el Azúcar"), which was given on May 23, 2019 at our facilities.

The topic was broached in a manner that was easy for the attendees to understand, yet all of the information was substantiated with scientific evidence. Additionally, aspects regarding health and today's consumer habits, were discussed in detail.

We thank Jesús Delgado Madrid for his excellent presentation.

Sincerely,

Paulina Casillas
